

Resources to Learn All You Can About Cancer Cures That are Natural and Safe

Hosea 4:6 My people are destroyed for lack of knowledge

All information shared is for educational purposes. I am sharing about the many sources of knowledge that helped me take control of my health.

Though there are many different modalities that people have used to get rid of so called incurable diseases, the TRUTH is that NONE of these modalities CURED the body. The key to all natural healing is to cleanse the body of heavy metals, toxins. The AMA says you just have to live with the heavy metal toxins because they consider detoxification a myth. If you have a clean cell Gods Word can communicate healing and use the nutrients you provide to build a strong immune system.

The BODY also does not heal itself, as the body is not a diety/god or source of power in itself, the body is the Lords. The Power that heals is God's Word, His Divine Nature within us.

[PRINT AND READ DAILY - HEALING SCRIPTURES, BELIEVING, HAVE THE FREQUENCY OF GOD'S HEALING WORD](#)

The CURE for the body is the WORD that God put in your DNA and it is a LIVING Word. You are a living Epistle and only God's Wisdom is able to sustain your life by directing the cells of your body. God's Word is the DIVINE NATURE within you that communicates His Life to your trillions of natural cells. The DNA is not a program, but the God breathed, living Word that He wrote in HIS BOOK about You. It is the substance that HE SAW before He clothed you with flesh in your mother's womb. Your body is NOT YOU, it is your earth suit, God's Temple on earth. You can say you are the high priest of God's Temple, your body. But God's divine nature IS the life that gives you the power to live, move and have your being.

There is no other wisdom or enough computers on earth to direct and control the billions of data within every DNA which sustains you and gives you life. Your spirit is ONE DNA and your body has a replica of YOU in every cell. God knows even when a hair falls from your head as HIS Word is the DNA of life. IN HIM, the Word of God, you live and move and have your being.

Science admits they have NO CLUE and only thousands of USELESS theories. If science would acknowledge God, we would not spend billions on false research, nor would we use deadly, demonic, and destructive concoctions of sorcerers/pharmaceuticals which are perversions of God's created things. The toxic drugs mask symptoms through blocking God's communications at the cellular level. That is witchcraft/sorcery. Pain relief is fine, but to take it all your life is insane. Pain relief comes quickly when you remove the toxins. Adding more toxins to a toxic problem is demonic wisdom.

The common denominator in all natural healing is that God is the Power that heals through His Word. His Word within is NEVER speaking death. Death comes through the defects caused by the sins of man from lack of knowledge of God's Word to self-destructive, suicidal life styles and dietary habits. The DNA can be perverted and unable to divide correctly because of toxic heavy metals, chemicals, parasites, fungus, mold and anything that does not belong in the body, as well as lack of nourishment. The key factors in all natural healing is to clean the body inside and out and build up the cells with natural foods that God created for the body. God Created Foods that are rich in the vitamins and minerals which are synergistically perfect for your cells.

The prudent investigates, but the naïve believe everything they are told. I don't want anyone to believe what I have written, I want people to acknowledge God in all of their ways and seek His Wisdom to know because you know what is truth in health care. Wisdom can be tested as described in James 3:17 ¹⁷***But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy.***

Many pervert God's Word with "but" religion by taking God's Word and changing it to fit their simple mindedness or double mindedness. If God's Word says, I am the God that heals ALL of your diseases, then believe God is the healer. If God's Word says I sent my Word for your healing, then believe His Word will heal you. Healing is a constant factor

that is blocked through perversions caused by man, not God. God's Word is wonderful and perfect. Inherited inequities can be changed by the power of God's Word.

No body wants to accept that they may lack faith or are disobedient, or that God would allow the inequities of past sins to come upon children. However, lets be honest and deal with reality. Sin brings death. However, God provided HIMSELF as a sacrifice and has condemned sin in the flesh. We choose life or death. We choose to believe, or we choose to walk in doubt or unbelief. We have been given freedom to choose to worship and give God a "sacrifice" of praise. We cannot force anyone to believe in God and all that God says He will do, and God will not force you to believe.

God says he will HEAL your land (your body is your land on earth) IF, you will turn from your wicked (twisted thinking) ways and repent. God has set before us LIFE and DEATH and we choose. Seeking men who are "doctors" who acknowledge God in ALL of their ways will result in KNOWING how to be a good steward or high priest of God's Temple, your body.

Sickness and disease are NOT about being a victim or being a martyr. The drug companies and AMA death protocols has made Americans victims of death, and gives the death glory through "love stories" with no happy ending. Death is being made acceptable by war time chemicals in medicine as when a soldier dies in battle. Why are poisons medicine, poisons outlawed for use in war (mustard gas=chemo) because it is so inhumane?

Healing IS just as God IS and we must believe that HE IS. It is NOT about you, it is only about God and His Word that paid for our RIGHT to have life and life more abundantly. God's Word says if you make yourself a FRIEND of the world (the worlds ways), you make yourself an ENEMY of God. Don't you know that God is JEALOUS for the SPIRIT that He put in you. God put HIS DIVINE nature within you and He is jealous for HIS SPIRIT that gives you life. He does not want you worshipping man, science or knowledge as if it is a god. Is your ONLY hope for a cure for cancer found in giving more money to cancer research? Do you really believe they will give up cancer research funds by admitting that there are natural, safe and inexpensive drug free cures? Which doctor is going to give up His mansion first? Greed is a killer!

Medical science has exalted itself above the knowledge of God and LITERALLY rejects God in all research, as it VIOLENTLY opposes God, intelligent design or any research that does not embrace the theory of evolution. Seeking the wisdom of those who DO NOT acknowledge God will result in destruction. For the ways of man seem RIGHT to MAN, but its end is death.

Look at AMA research. Look at the medical books. It admits cancer is a mystery, it admits to being the 3rd cause of death in America; it admits to killing over 100,000 a year due to AMA protocols and medications; it admits that it does evil by saying evil side effects are necessary; and it is antichrist wisdom as it rejects God and embraces ONLY evolution in science.

The AMA is the source of godless wisdom that changed the medical books (DMV IV) to say that homosexuality is normal behavior, robbing many of help. The AMA medical research cannot determine when life begins for humans to disguise their murdering of babies. It is the AMA who pushes our legislators to LIMIT doctors to TOXIC medical therapies and to keep abortion legal. It is the AMA doctors who abort human life on the satanic alters of abortion. Have you allowed the hands of abortion to minister health to you? Why can't we have Christian Medical Schools and doctors who are NOT limited by the theory of evolution or the controls of the AMA which is only a union that protects business? Why don't we have doctors who are free to practice the wisdom to heal that God gave them?

God's Words says that we must PRACTICE righteousness and THEN we will be able to DISCERN between good and evil. Too many Christians practice unrighteousness in matters of health, thus they cannot discern between good and evil and call that which is evil good and that which is good evil.

As you visit the many doctors' web sites and the many other informational websites about cancer, keep in mind that God is the CURE, not man or food. Healing IS, just as HE IS. Healing was paid for by the 39 stripes on Jesus' back, and healing is just as sure a RIGHT of a believer, as is salvation. But are all saved? Are all healed? We all have a right to become a son of God. We all choose life or death. God's Word is Life to all who find her. Those who walk by the SPIRIT, these are the sons of God (Romans 8). Learning to walk by the SPIRIT is learning to believe God's Word over man's puffed up knowledge that exalts itself above God's Word. ([WALKING IN THE SPIRIT.pdf](#))

Did God say it is His Will that only some will be healed or some will be saved.? No, He died for all and received the stripes on His back for all. So long as sin is in the earth, we will have troubles. But God delivers us from them all.
